

Nina's Song of Light

By Neema Jai Krishnan

Nina the nightingale loved to sing. Her song was soft and sweet. She sang every evening in the forest.

**(Nina sings:) 🎵 "Sing, sing, sing my song,
Making friends all night long." 🎵**

All the animals stopped to listen. They felt happy when Nina sang.

**(Nina sings:) 🎵 "Sing, sing, sing my tune,
Under the shining moon." 🎵**

**One night, a little goat got lost in the forest.
He heard Nina's gentle song in the trees.
He followed the tune and found his friend waiting.
(Nina sings:) 🎵 "Follow my song so bright,
It will lead you to the light." 🎵**

The goat and his friend walked home together, smiling. Nina's song brought joy and friendship. Singing can bring hearts closer!

**(Nina sings:) 🎵 "Sing, sing, sing with me,
Together, happy we'll be!" 🎵**
